

Wellings Brothers, AggReclaim, and National Resources

Environmental Policy

We will willingly accept our obligations, and will accordingly abide by environmental legal obligations, use all practicable measures to lessen the environmental impact of its operations on the environment, both local and else where, promote environmental awareness within the company, its employees and others involved with its undertakings.

It is the responsibility of management of all levels to ensure that environmental requirements receive adequate consideration and resources.

All employees are expected to co-operate with management to enable the implementation of the Environmental Policy.

Signed:  .....
